Interim Manager & Consultancy Knowledge from One Source

HANSE Interim offers a careful selection and successful placement of Interim Managers as well as professional support for the duration of the project. Our added value and unique selling proposition in the provider market is, if required, access to the expertise of the entire HANSE Consulting Group.

HANSE Interim has been very successful in the professional selection of Interim Managers and the supervision of Interim Management Projects for almost 20 years.

The HANSE Added Value – More Than a Provider

Quality is Our Top Priority

- Permanent availability of 3000 selected Interim Managers with the required function experience from more than 280 different industry sectors
- Continuous exchange of experience, ideas and opinions as well as qualified feedback leads to project success
- Intensive quality assurance for your project by the HANSE Interim Team
